BE@RBRICK

EXCLUSIVE DESIGNERCON 2019 BE@RBRICK SET! SERIES ONE

- **Steven Harrington:** From buck-toothed palm trees to peaced-out, Mickey Mouse-lookin' dogs, Harrington's iconic characters have become a mainstay in the vinyl toy world.

- **Tristan Eaton:** LA graffiti artist, muralist, illustrator and toy designer. His large scale mural work features visual collage of pop imagery mixed with his unique personal style, all executed with freehand spray paint on a colossal scale.

- **Luke Chueh:** Luke is a master of minimalist cute but brute animal characters, becoming ever more deeply embedded in the LA art world.

- **Joe Ledbetter:** His love of comics, classic animation, 80s videogames and skateboarding have all combined in his crazy artistic mind to produce some of the most desirable vinyl toys in the market.

- **Kano:** A renaissance man who honed his craft on the streets, Kano brings his urban aesthetics to vinyl toys, paintings, animation and more.

- **Scott Tolleson:** A toy collector as much as he is a prolific toymaker, as an artist, Tolleson is driven by the same nostalgia and childlike wonder that makes us obsessed with collecting. This Be@rbrick is included in the VIP package, available at the DesignerCon booth.

DESIGNERCON 2019!

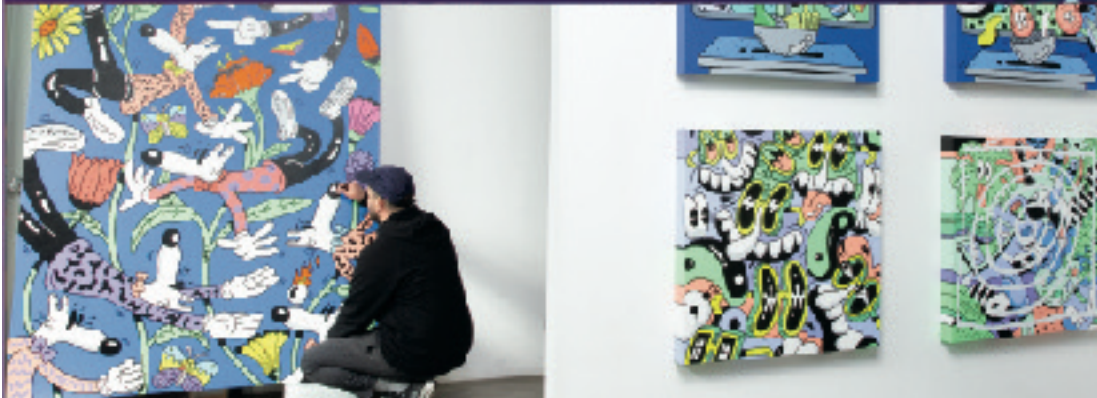

This year's cover is designed by the beloved Camille Rose Garcia, a true renaissance artist in the lowbrow pop surrealist movement who paints, illustrates, animates, and makes toys. She's been a bit of an astronaut when it comes to exploring and expanding her craft, and it really shows in the way she captured this year's space theme. She's also debuting her book, *The Cabinet of Dr. Deekay*, as well as doing signings and a special edition print release of this very special cover art. Get in line now! Booth 2019

MEDICOM TOY x The Andy Warhol Foundation

DesignerCon has partnered with MEDICOM TOY and the Andy Warhol Foundation to release a stellar lineup of Be@rbrick figures that will exclusively be released at this year's convention. Sales will help the Foundation carry out Warhol's dying wish of advancing the arts through grants, fellowships and other programs designed to empower the next generation of creatives. Maybe one of the lucky recipients will even become a future DCon artist.

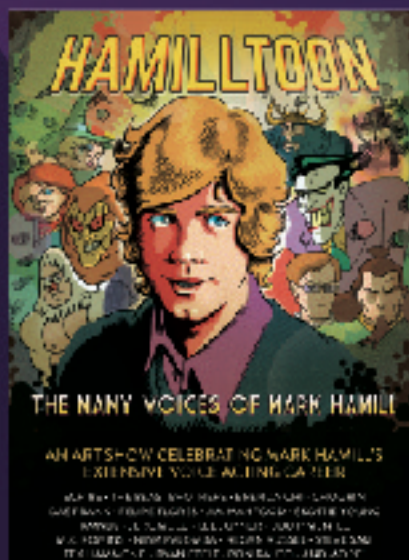

EXCLUSIVES

BADGE DESIGNER - STEVEN HARRINGTON

If your badge seems amazing this year, it's because it was designed by the one and only Steven Harrington, the leading artist of the Californian psychedelic-pop aesthetic movement.

Steven has always been a master at showcasing the Golden State's diverse landscapes and thriving mix of cultures, and we're thrilled to see they look just as good in space.

HAMILLTOON The Official Mark Hamill Tribute Art Show Curated by Jane Dope

A long time ago, in a vocal booth far, far away, the greatest Jedi in the galaxy embarked on a quest to voice the most memorable characters in all of animation. From cackling super villains to biker mice from Mars, Mark Hamill has built a legacy far greater than Star Wars, and now we're honoring him with his very own art show at DesignerCon 2019! For HAMILLTOON, we've tasked over 100 artists to create pieces inspired by his iconic characters, while incorporating this year's space theme. May the Force be with you if you don't take a moment to stop by and see this amazing collection of work!

PANELS

PRESENTED BY:

The NTWRK has stepped up the DCon panel game in a big way! Commissioning the stage to the video artist and designer Berk Visual built by Think Tank Gallery. Berk created a piece that fully functions as a panel stage during presentations, and becomes a giant video art installation featuring his video work on dozens of screens inside a site-specific media stack sculpture all convention long.

Catch some original video content tied to this year's Space theme, featuring footage from DCon and NTWRK, as well as a few more surprises. Find more of Berk's work at @berkvisual on Instagram.

2PM – BEAT CINEMA

The video and music collective Beat Cinema takes over the DCon stage in a way that makes it feel particularly catered to their unique style. In fact, to some degree it is – Berk Visual and The NTWRK designed the stage with video art in mind, collaborating with Beat Cinema often. Enjoy some trippy short films and ambient sounds.

3:30PM – WACOM X SECRET WALLS TABLET DUEL GRAND FINALE

All weekend long, Secret Walls and Wacom have artists battling on Cintiq 22 tablets, and to close out DCon 2019, we will crown a champion. Cheer on your favorite artists in signature Secret Walls style, with a first-time-ever twist as they battle on these top of the line tablets for a chance to win one. DJs will spin and crowds will cheer as we close out DCon 2019 with a party on the show floor.
